Re: The Henry George Birthplace  
413 South Tenth Street

Dear Historical Commission:

Enclosed please find revised working drawings and details for the restoration of the Henry George Birthplace. The slope of the dormer roof has been increased as per your recommendation and the knee wall has been moved forward approximately five inches. I hope that these revisions meet with your approval.

We invite your comments on the above and if you have any questions please feel free to contact us.

Thank you.
