Dear Pennsylvania Cultural Organization:

The Commonwealth of Pennsylvania has asked the Greater Philadelphia Cultural Alliance to produce the first comprehensive directory of Pennsylvania nonprofit cultural organizations. The directory, available in January 1995 through the Office of the Cultural Advisor to the Governor, will include listings of all Pennsylvania nonprofit cultural institutions (an estimated 2,000 organizations that will also be cross-referenced by discipline and geography), elected state and federal officials, public agencies (i.e. Pennsylvania Council on the Arts, Pennsylvania Federation of Museums and Historical Organizations), and state and national arts service organizations. This directory is an extraordinary opportunity to demonstrate the variety and breadth of Pennsylvania's cultural community.

Your cooperation is important, and for helping us gather information you will receive a complimentary directory. Please complete the enclosed postcard and mail or FAX it to GPCA by July 22. GPCA's FAX: (215) 925-3856. Also enclosed is a sample page of the planned directory for your reference. If you have any questions or concerns please contact me at (215) 440-8100.

Thank you very much for your time and cooperation.

Sincerely,

Melissa Bimbaum  
Editor
