

Oct 11/91

My dear Boy;

Am sorry to
hear about the lodging and
your fear of the weakness
of these other papers, but
I expected some loss and
if you get four or more
there it will be very well.

As I have heard nothing
about mine about an extra
session I suppose there
is little prospect of ^{one} ~~any~~.

I am glad you met
Stumphrey's.

I think we shall hear
