

My dear Mr. George.

I am sending you
the book "Ladies" of which I
spoke to you this afternoon
when I had the pleasure of
meeting you at our store and
I hope you will find time
to read it before you leave
Tokio. I think you will

find it interesting enough if
you have not read it already.

Hoping to have the pleasure
of seeing you of you before
you sail

I am with kind
regards

Yours sincerely

Tokio
