

HENRY  
GEORGE  
SCHOOL  
OF  
SOCIAL  
SCIENCE

October 11, 1983

*The Earth is the Birthright of all People*

TO ALL HENRY GEORGE SCHOOL DIRECTORS AND ASSOCIATES:

We will be commemorating the 100th anniversary of Social Problems with a special cacheted envelope with two colors postmarked San Francisco. As far as we know this will be the first postal commemoration of Henry George in history and we think you will appreciate it as a souvenir item.

George's picture is brown, and the lettering will be in gold and will contain information about George, the book and the School.

If you would like to obtain copies of this unique commemorative item please let us know within the next two weeks. The cost will be about 60¢ per envelope. Such covers are generally retailed at \$1 each for sale to your membership. The SF School is currently ordering 1000 copies. For more information and to place your orders call coordinator Fred Foldvary at 415-548-3776 at home or 415-622-3599 at work.

ALSO, as part of our Peace/World Order/Environmental Outreach work we are compiling a listing of 500 such organizations and their directors to invite them to subscribe to our monograph ECONOMICS FOR A PEACEFUL PLANET. We would appreciate it if other Henry George School Directors and Associates would please send us appropriate names and addresses to add to the list. Please send by Nov. 1 or call them in. Thank you.

HAPPY HALLOWEEN!!!

*Alanna*

Alanna Hartzok  
Education Director, SF/HGS

PS Enclosed is a copy of our latest brochure. Many have expressed their pleasure with the graphics quality. If you would like to use a similar design, I can send you a camera ready copy of our originals for \$15.
