Prof. Raymond T. Bye
506 Glenwood Avenue
Moylan, Penna.

Dear Prof. Bye:

We were very delighted to hear from you and your acceptance to be a guest speaker at our Dedication ceremony on Saturday, April 2nd. Had thought of contacting you again thinking that perhaps our letter had gone astray or that you might have been out of town. Prof. Donald H. Richman has also accepted the speaking assignment.

As you can see from the enclosed notice, dinner has been arranged at Kugler's Restaurant on Chestnut Street, just East of Broad Street instead of our original plan at the St. James. We are indeed honored that Mrs. Bye will be with us too.

Looking forward to meeting you personally, I am

Sincerely yours,

Joseph A. Stockman, Director.
