Dear Harry:

I mentioned the Bittenheim Snag Club dinner to Bob Clancy and Miss Peterson. Both seemed anxious to cooperate. Will you send them a reminder some time between now and Nov. 21st? I did not get to see Lanc Greene, but will mention this to him the next time I see him. Am returning herewith the Bittenheim correspondence, as requested.

We are working hard on getting an Extension School going in San Francisco. Have a good man on the job for the directorship and he is getting encouraging support from some of the local San Francisco friends.

Sincerely,

OKD:mlc
