

Mr. Dorn's copy

Mr. and Mrs. L. F. Pinkham
Box 331
Hohokus, N.J.

Dear Folks:

Under separate cover I am sending you several copies of Channing Pollock's "We Planned it that Way" and also a copy of Mr. Lincoln's "Intelligent Selfishness and Manufacturing".

I enjoyed the few discussions we had on current events while at Minnewaska, and I sincerely wish we might have had more of them since I should have liked to tell you of our unique School where we study the fundamentals of economics which are essential to the philosophy of freedom.

Many business and professional men and women have taken courses at the School or through our Home Study Department.

Six hundred ministers of various denominations have enrolled in the Home Study Course so far this year. The enclosed letter is one sent to Presbyterian Ministers which resulted in ninety-seven enrollments. These lessons aid the students materially in understanding the text.

Will you accept the accompanying text book "Progress and Poverty" with the compliments of the School?

Sincerely yours,

OKD:mc
