

March 10, 1944

Mr. Vincent Rigges
277 Park Avenue
House 20,
New York City, New York

Dear Mr. Rigges,

The enclosed pamphlet by Channing Pollock is the one I referred to in our conversation yesterday.

Although Mr. Pollack is not telling us anything new, I do think he has stated these facts in a most interesting and effective way.

I am also taking the liberty of enclosing another pamphlet describing the work of The Henry George School.

I trust I may have the pleasure of meeting you again.

Very Sincerely yours,

O. K. Dorn
