Danske Henry George Forening  
Østerled 28  
2100 Copenhagen Ø, Denmark

Gentlemen:

1979 will mark the 100th anniversary of Henry George's "Progress and Poverty." This will be observed with an International Conference, to be held in San Francisco the week of August 19-25, 1979.

We would like to see as wide a participation as possible. We would like to ask the Henry George Forening to be a co-sponsor of the Conference. We are asking related organizations in various countries to also be co-sponsors. This would only involve: a listing as co-sponsor; attendance at the Conference by one or more representatives of your organization; and, hopefully, one or more papers to be presented at the Conference; and such other aid as may be suitable.

Details can be decided later. What we would like to have at this time is your agreement to be co-sponsor.

With all good wishes and awaiting your reply,

Sincerely,

Robert Clancy  
President
