

Mr. Robert Clancy, Pres.  
Henry George Institute  
55 West 42nd St. Room 462-A  
New York, Y.Y. 10036

Jan. 6, 1980

Dear Supporting Organization,

Enclosed please find the final financial statement of the Centennial Celebration Committee covering the period from Aug., 1978 thru Dec. 31, 1979. All but .5% of all funds are accounted for, pretty good for 16 months work covering thousands of negotiation with non-professional bookkeepers.

You will note that the six day conference was brought in for under \$75 per person; we think your money was well spent. By most accounts the Centennial Conference was a huge success and a source of inspiration to many of our Georgist friends. We hope your organization concurs with this general assessment, and in retrospect are pleased that you supported this historical project.

Remaining funds amounting to \$364.96 have been sent to the Henry George School of New York City, per our previous agreement, to be used to defray expenses of the 1980 New York National Georgist Conference.

Our task completed, we have disbanded our committee, closed our accounts, and finished all our commitments. Our entire committee and supporting staff thank you for your support; without the valuable help of your organization we could not have succeeded in making this centennial event a truly worthwhile occasion.

Most cordially,

  
Terry Newland  
Chairman, CCC
