Dear Mr. Finkelstein :

When I received your reply to my letter of Sept. 30th to you, I felt let down because you did not give me the information I was seeking or answered my question specifically.

Believe it or not I am writing to thank you because you gave me the answer to a far more important question.

Last year it came to my attention via The Robert Schalkenbach Foundation that after one hundred years of Progress and Poverty and schools teaching the philosophy all over the World, that there were ONLY ABOUT FIFTEEN HUNDRED GEORGEISTS in the entire World. The mystery has been solved.

Cordially yours,
