Dear Mr. Dorn:

I received your recent telephone message and kind invitation to have dinner with you next Monday. Unfortunately it will not be possible to accept. I would however, very much like to have a talk with you some time soon on the subject of Foundations.

Would you be good enough to phone me next Monday or some time at your convenience so we can arrange a meeting, or better still, can you arrange to have lunch with me next Monday.

Thank you for calling.

Sincerely,

Wm. H. Matchette, Jr.
