Dear FRIENDS OF HENRY GEORGE:

It was indeed a delight to me to receive your letter of December 6th, announcing the new plan for Progress. And it was more particularly pleasing to me because of the signatures thereto, being first that of His now famed daughter, whom I regret never to have met; and that of my good Old Friend in the early stages of the George Philosophy - John C Lincoln, beside whose name I shall feel honored in placing my own.

Permit me also to thank you for the very kind invitation that I might find it possible to visit OUR SCHOOL, and can assure you that nothing could give me more satisfaction.

On account of my age and infirmity, I fear there is little hope--as I now approach my 87th milestone--the greatest honor through all the years having been that of the Friendship of Henry George.

Sincerely,

J. S. MacLean

P.S. Please give to Otto Dorn my kindest regards and best wishes.

Dear Mr Dorn:

I am sure the enclosed
copy of a letter from
Mr MacLean will interest
you. It came together with
a check for \$100.

I have sent a copy of it
to Mrs de Mille and Mr Lincoln.

Sincerely,

Allen Carter
