Dear Dr. Smith:

I would like to state that the Liberation Theology class taught by Professor Nelson is wonderful, necessary and useful for the future. Professor Nelson is an honest instructor and an authentic Georgist with significant capabilities who does justice to the Henry George School and to society.

I would appreciate it, Dr. Smith, if the Liberation Theology class could be offered again so that the students can benefit from it and learn more. I know that any intelligent person would want to take this course with Professor Nelson.

I hope that the students of the Henry George School will receive your support for this suggestion.

My respectful regards to you and Professor Nelson

Sincerely yours,

Lucy Toomey and other grateful students.
