Dear Ed,

Just a short note to thank you for the "paste ups" you sent us, especially the ones on the tax situation in Philadelphia. Keep 'em coming.

Bob also wants me to thank you for the copy of the letter to Gaffney.

I'm putting together, with Mildred Loomis, a conference on "The Economics of Peace" to be held at HGS\*NYC on Saturday, March 21 from 9:30 am to 7:30 pm. I'm enclosing a working outline; and I'll send you a final announcement when available.
