My Dear Kiefer.

Your letter just received. I believe you will hear from Prof Johnston <sup>next mail</sup> who took the list of names from me last Thursday with the accompanying letter saying he would attend to it.

I have sent him your yesterday's letter & asked him to let you know at once.

"We would simply take for the community what belongs to the community, the value that attaches to land by the growth of the community; leave sacredly to the individual all that belongs to the individual."—Henry George.

We have an usual monthly  
meeting Friday 29<sup>th</sup> - but I  
could call it for Thursday if  
that would suit you.

Yours very truly

My dear MacKenzie & Mrs  
Nothing from Prof Johnson -  
I have so much to do here - so  
many people to see - that I have  
concluded to postpone going to Boston  
& Providence - I will probably have a monthly  
meeting Friday night - If I find I can get  
there conveniently for that I will wire you  
Thursday or Friday - If not I may come after  
you have had the meeting - I believe I am going  
here on Jan 30 + 4 if you have anything to suggest  
about a national organization - Prof Johnson  
many of the Boston friends please address me there  
in care of the New York Hotel - Yours almost truly
