Mr. Alex MacKendrick

Boston, Mass.

My dear Sir:

I would like to have Mr. White speak at the Brockton Forum either on January 2d or January 9th, whichever is most convenient for Mr. White.

I will also try to arrange some meetings for him at one or more of the mens' clubs of this city.

Please let me know if Mr. White can come to the Forum on either January 2d, or 9th as soon as possible and greatly oblige. I forgot to state that the Forum meets at 4 o'clock on Sunday afternoons, and we generally allow the audience an hour to

question the speaker after his address. The Forum is patterned after the Ford Hall Meetings in Boston.

A train leaves Boston at 2.14 for Brockton which arrives in ample time for the meetings.

Sincerely yours,

*C. S. Millet*
