Dear Mr. MacKendrick,

As the end Hog proposition involves the sending of a check I would suggest that you take this matter up with Mr. Blakeslee and get him to write the end Hog. If you write to Mr. Smith (?) McKnight and Mr. Hovey it seems to me that the rest of it is properly up to Mr. Blakeslee.

The next time we have letter paper printed the telephone no should be Beach, not Oxford.

I note that the copies of the Brown pamphlet and the Fels Fund edition of the single Tax, what ~~it~~ is and why we sign it do not have our address. Would it not be well to put this on with rubber stamp so that ~~it~~ you - to whom it goes - will know that there is such an organization as the Mass single Tax League?

Sincerely,
Charles H. Horton
