The Single Tax League

Boston, Mass.

Gentlemen:

The latter part of February, I mailed to you a copy of a pamphlet sent out by the Anti-Single Tax League of Oregon, addressed to Mr. Fillebrown.

It seems that he has not received this pamphlet. Will you kindly look up the matter, and see if by any chance it may have been mislaid, and if it is found, please send it to Mr. Fillebrown?

Both you and Mr. Fillebrown were so helpful to my team in their debate upon the subject "Single Tax" in February, that I regret very much the miscarriage of this pamphlet.

Very truly yours,

Elizabeth H. Haub.
