Dear Sir:

I am deeply interested in the work of the Single Tax League. I was a member of the League some 15 yrs ago, and only the work & absorbing cares of a growing parish have prevented me from closer interest. Our Church here has a Men's League of 50 members. I would get a joint meeting of the Congregational Men's Club to hear some good speaker in the near future. Hoping that you would favor such a plan that at some early date we may have a good advocate
