Dear Mrs. Cosette:-

I wrote you week before last asking if there was some one at Boston who would be free to go to Pittsfield on April 3 at 3:30 P. M. to talk to the Chamber of Commerce there on "The relation of taxation to community development." They wanted a prompt response, as they are making up their program in advance. Will you please advise me by return mail whether or not you were able to get anyone to take the date, or whether any action was taken. If not, please do not do anything about it, but just let me know and I will fix them up, either with Mr. Towne of Philadelphia in case Prof. Johnson cannot go. I must answer them without waiting further.

You may be interested in the enclosed leaflet, giving details of a speaking bureau which was fixed upon after a talk with Mr. Towne.

Sincerely yours,

Harry W. Wiley
