Mrs. W. D. Cossette, Sec'y.,
Massachusetts Single Tax League, Inc.,
120 Boylston Street,
Boston, Mass.

Dear Madam:-

Referring to your letter of the 20th inst. I
think you must have misunderstood my letter. I have no grievances
whatever against the League or any individual and resigned
principally because I was putting all funds I could possibly spare
in the great adventure in California.

Trusting this will set the matter straight and with
best wishes, I am,

Very truly yours,

July 20, 1918

Mr. Hollis C. Joy
109 Beach St.
Boston, Mass.

Dear Sir:

We regret to learn by your letter of the 10th inst. to Mr. Hull that you and Mrs Joy are giving up membership in the League.

Those of us who have been in the movement for years feel that this is a time for a re-dedication to the cause of Liberty, for standing closer rather than for deflection.

If misunderstandings arise we, as unselfish workers for the common good and as reasoning beings, can express ourselves and thereby see if we disagree only as to non-essentials, or whether the matter lies deeper. Special privilege is never divided--at least not so we could ever hope to win by it.

May we not hope for a clear alignment of the case against the League and your continued cooperation as in days past?

Sincerely yours,

Winifred B. Cassette

Mr. Reginald Mott Hull,

Dear Sir:-

I am sorry that my neglect has caused you the bother of writing me, but it has been my intention to resign as a member of the league and after I told one of the prominent members that such was my intention, to do so formally, escaped my attention.

May I also offer Mrs. Joy's resignation along with mine.

With best wishes, I am,

Very truly yours,
