Mass. S. T. League.

Boston, Mass.

Attention Mrs. Fossette;

Dear Lady:- On my recent visit to Boston I became so interested in talking with you that I forgot to pay for membership in the Mass. S. T. League.

You will please send me an application blank and I will make out the same and remit fee.

As a result of my visit to your headquarters I have received a letter from one J. L. Richards of Brookline suggesting cooperation in S. T. Work.

You will note that my name is John C. and not John Q. Burnham and make corrections accordingly.

Very truly yours.

John C. Burnham.
