MICHIGAN SITE-VALUE-TAX LEAGUE

ORGANIZED APRIL 21, 1915

"TO RELIEVE HUMAN INDUSTRY FROM VEXATIOUS AND
BURDENSOME TAXES, AND TO USE THE COMMUNITY-
MADE SITE VALUES FOR GOVERNMENTAL PURPOSES."

WATERFORD, MICH., NOV. 25, 1916. 191

Massachusetts Single Tax League,
120 Boylston Street,
Boston, Mass.

To the Secretary--

The Michigan Site-Value Tax League
is about to begin a campaign for a constitutional
amendment allowing of the greater taxation of site
values, and reducing the taxes on personal property
and real estate improvements.

Would you be so kind as to send me sam-
ples of what literature you have circulated?

Www We feel that permanent gain can only
be obtained by EDUCATION, and though this is a slow
process, it is SURE, and if we are right, we shall
eventually win out.

I think our California friends expected too
much, though it is always well to "aim high." But
they have no reason to be discouraged at the result.
The seed has been sown, the enemy's batteries have
been uncovered. "Forward march."

Very truly yours,

Judson Grennell
