Gentlemen:

We are taking action in the Board of Trade to have a
Speaker from your organization.

I understood that the legislature had passed your bill
recommending the elimination of the word, proportional, from the
constitutional. Will you please advise me whether or not this is
so, as it has been contradicted by the Chairman of Taxation on
the State Board of Trade, of which I am a Vice President.

If it is so, will you please send me a copy of the
resolution as adopted by the Legislature.

Yours truly,

LDM/H
