My dear Mr. MacKendrick:

Your letter regarding Mr. White as a speaker at our Forum is received and I am pleased to learn that my son privileged to have a man whom you speak so highly of. Kindly let me know the exact title of his lecture, so I can announce it in our calendar cards, one of which I enclose. I can assign either the 2^d or 9th of January, and assure him a most interesting audience - some being single persons. Our audiences range from 3 to 6 hundred.

Sincerely yours A. T. Buswell, Jr.

Mr. Alex. MacKendrick,
Massachusetts Single Tax League,
Boston.

Dear Sir:

At the Newton Y. M. C. A. we have a supper every Monday evening at 6.30 during the winter, at which we usually have a short talk by an outside speaker. These suppers are usually attended by about twenty men, including some of the directors of the Association and often some of the Newton City officials.

If it is possible, I would like to have Mr. John Z. White come out and talk to the men on the tax question. I cannot guarantee that we would have anywhere near 50 men, but I think we could get out a good number. Mr. White could get away before eight o'clock if he had another engagement within reach that evening. Either January 3rd or 10th could be arranged.

If Mr. White cannot come out, I would like to have some other speaker come out some Monday evening and speak on the Single Tax.

Very truly yours,

Ralph W. Peters
