Dear Mr. Mackendrick,

The proper designation for Mrs. Johnson
is

Mrs. Grace A. Johnson, Chmn. Mass. Cong. Com., Nat. Am.
Woman Suffrage Assn., 90 Raymond St., Cambridge.

If you prefer to avoid the abbreviations
this letter head will tell you what the full
unabbreviated words are.

I think as I have abbreviated it, it will
be clear and take up only about the same
space her present appellation does; it would
certainly not take up more than the
two lines & that is the main thing.

She wishes particularly not to have
any abbreviations of the words "Woman Suffrage".

Very truly yours,

Lewis J. Johnson
