Mr. Alex MacKendrick

120 Boylston St.

Boston, Mass.

Dear Mr. MacKendrick:

As I am not be able to come in to-morrow night I am sending you an essay submitted for the prize offered. Only one essay came in as the other children seem to think the subject too deep for them to tackle. Please present this at the meeting of the executive committee, and let me know what they think of it. I think the girl has a very good grasp of the subject. I have agreed to give her the second prize and shall not ask the league to contribute toward it. The offer will be renewed next season and I shall make it a point to see the students in each of the schools and try to arrange for a good competition.

Yours truly,

J. H. Howes
