

Newton, Mass.
September 20, 1915.

As Single Taxers and residents of Newton we are interested especially in the spread of the Single Tax idea among the members of the Newton City Government. Probably the most effective way of doing this is for us to subscribe to the Ground Hog for the Mayor, the Board of Aldermen, the Tax Assessors, the Heads of Departments, the Head Masters of the High Schools, and as many more officials as the funds raised will pay for.

To this end you are invited to make a small subscription. There are 30 members of the Mass. Single Tax League in Newton, and the clubbing price of the Ground Hog is only 25 cents for forty weeks. Will you not be one of those to help? Every quarter we raise may make an additional Single Taxer and one who because of his wide acquaintance will be especially valuable.

Subscriptions may be given or sent to either of the undersigned:

Robert B. Capon,
Walnut Place, Newtonville

Charles H. Porter,
Ridge Road, Waban
