Alex. MacKendrick, Esq.,
Boston, Mass.

My dear Mr MacKendrick:-

Your postal of the 25th. received.

Yes; thanks to you, Mr. Padelford, of the Fall River Chamber of Commerce, sent us a manuscript copy of the Report; I suppose this is the form in which it was issued.

We have had an estimate made for printing 1,000 copies, and have written to Mr. Padelford, saying that as we only need 250 copies for our purpose, would it be agreeable to the Chamber of Commerce of Fall River to take over 750 copies at a pro rata rate.

This report was good enough to have been written by our friend Pillebrown..

With all good wishes, I am,

Yours truly,

Benjamin Doblin
Executive Secretary.
