Mr. Sylvester L. Malone, President,
Dr. Mc'Glynn Memorial Association,
New York City, N. Y.

Dear Mr. Malone:-

We had a very successful meeting at above address, last evening.

Rev. Clinton L. Scott of the Grace Universalist Church read your very interesting scetch of the life of Dr. Mc'Glynn. My brother followed with the splendid poem of Edwin Markham. Mr. S. E. Groll in an appreciative speech extolled the good work done by Dr. Mc'Glynn, and several others who had had the good fortune to hear the great man recalled their experiences, and two of them stated that they owed their interest in the cause to his appeal.

Surely some of the spirit which animated this good man was present at our meeting for rarely have I attended a gathering of this kind where the kindly feeling of fellowship was more apparent.

The occassion was well worth observing. We can not do too much to honor the memory of our past leaders, for a contemplation of their exploits inspires enthusiasm and the work goes on.

Very cordially yours,
