March 31, 1917

Member National Single Tax League:

This letter is as personal
to you as we could make it as if pen written by my
individual hand.

The league is not yet organized, because the vote thus far
is without result.

It is suggested that this first election be considered, in
effect, a primary and that another vote will secure a truly
democratic organization.

One hundred and eighty (180) candidates have thus far been
voted for, 30 of whom have received 10 or more votes (see
first column of vote). If you voted for a candidate who
has shown strength, we ask you to get others to help raise
such candidate's total to the required 200.

If your candidate has manifestly no chance of election, you
will see the benefit of changing to one who could be elected.

Many important matters are waiting on the election of a
National Committee. One can be chosen as soon as all receiv-
ing this letter will reply.

Fill out the inclosed card and mail it at once.

If you do not change your vote, say simply "no change" and
sign card. If you change, then insert his or her name on
top line and your own at the bottom of card.

If you of the 1441 who have voted will give this immediate
attention and the 1249 who have enrolled but neglected to vote,
will do the same, we shall have a National Committee by April
15 and can proceed to business within another two weeks.

Please - Please - Please - Your immediate
attention before doing another thing.

Yours truly,

8380
