Dear Miss Colles:-

We acknowledge with thanks the receipt of contribution of \$1.00, for which numbered receipt is enclosed herewith.

We regret that copy of enclosed Bulletin was missing from the envelope sent you, and we enclose also Proposal and Budget, which shows the lines on which we are increasing the activities of the National Single Tax League. More than \$5500 of the \$6000 involved have been pledged, but thus far all we are doing is to send out the monthly Bulletin to a list of 5000 known Single Taxers and three Press Bureaus weekly similar in character to that enclosed to a thousand newspapers. We would not willingly lessen by a dollar the contribution to the Great Adventure in California.
