Chicago Ready for Another Big Rally of Single Taxers

Preparations are now almost completed for what will be in all probability the biggest and best convention yet held under the auspices of the Henry George Foundation. Chicago has twice proved itself to be a great convention city and has again invited the Single Taxers of America to accept its hospitality. All reports coming into our headquarters give promise of a successful Congress this fall.

A special feature of this year's convention will be the appearance on the program of Mayor William N. McNair of Pittsburgh, whose election last November to the office of chief executive of one of America's leading cities was so heartening to the movement throughout the United States.

There will be interesting reports from all sections of the country where the cause is being promoted by active workers and ways and means for further advances will be discussed by a number of our most able and experienced leaders. The array of notable speakers listed is in itself sufficient guarantee of a highly interesting convention and some additions to the list may yet be made before the official program is issued.

Reservation - Transportation

The famous Congress Hotel, located on Michigan Boulevard in the heart of Chicago, will be our official convention headquarters. Single rooms with bath may be obtained at a minimum rate of \$3.00; double rooms, \$5.00. Please make reservations now through the Henry George Foundation.

All railroads offer special World's Fair excursion rates, which are in effect from all points and will greatly reduce transportation costs.

Single Tax League Meeting, October 12th

All delegates to the Congress are cordially invited to remain in Chicago throughout the week and particularly to attend a dinner to be given by the Single Tax League of Illinois at the Washington Cafeteria, Washington Street, on Friday evening, October 12th. A special feature of this meeting will be the presence of a large delegation from Milk River, Canada, headed by the Hon. Fred Pease, Mayor of that municipality, which has had a long experience with land value taxation.

"Henry George Day" At The Century of Progress Exposition

The Chicago World's Fair, which proved such a great success last year, is now in the midst of a second successful season with many new attractions. The Exposition management has designated Thursday, October 11th, as Henry George Day and special exercises at the Illinois Host House will be held under the auspices of the Single Tax League of Illinois. Don't miss the opportunity for entertainment and enlightenment afforded by the Exposition as well as the valuable fellowship and inspiration of the Henry George Congress itself.

Chairman of Convention Committee: CLAYTON J. EWING, 4046 Ellis Avenue, Chicago, Ill.

Address general inquiries and reservations to
P. R. WILLIAMS, Secretary, 324 Fourth Avenue, Pittsburgh, Pa.
