Dear Georgist Friend,

Our mutual friend, Floyd Morrow, has announced his candidacy for the California State Assembly. He needs our help.

Mr. Morrow served 12 years as a San Diego City Councilman and has been the President of Basic Economic Education, Inc., since 1970. He was one of the principal founders of LEAF and is currently Chairman of that organization.

Two years ago Georgists were very supportive of Dr. William Filante's successful campaign for a northern California seat. We now have the opportunity to be represented at the other end of our most populous state and in the opposite political party. The combination could further our cause tremendously.

I have enclosed an article written by Mr. Morrow last week for a San Diego newspaper, and a brief resume. The most important thing you can do is to fill out the return mailer and make a campaign contribution by return mail.

Every little bit helps--large or small. Thanks.

Regards,

*Everett J. Seeley*
