Mr. Stan Frederiksen
Public Revenue Council
702 Moundale Drive
Ferguson, Missouri 63135

Dear Stan:

You are to be commended for your testimony before the Property Equalization and Classification Committee. I am sure you and the others who testified in support of HJR 33 will assure its favorable "do pass" out of committee.

Thanks again for your strong support and persuasive remarks. Missouri will be better off for your help.

Sincerely,

Walt
