Mr G. Miller,
Director,
Economic Planning Advisory Council,
Department of the Prime Minister and Cabinet,
Macquarie Street,
BARTON,
A.C.T. 2600.

Dear Mr Miller,

It is my pleasure on behalf of the Georgist Council to present to you a submission which sets out its views on the direction that taxation reform should follow.

We ask that it be considered by the Economic Planning Council at its forthcoming meeting,

We request the opportunity for a representative of the Council to be permitted to present our submission in person under sub-section 18 (13) of the Economic Planning Advisory Council Act, and, should the Planning Advisory Council see fit, for a member to serve on any relevant committee established under section 19 of the Act.

We would also appreciate the granting of representation of the Council at the Taxation Summit to be held later this year.

Yours faithfully

Kenneth N. Grigg.
