Dear Bob

After rereading my conference notes, I see that I promised to send you copies of:-

- a) A circular letter to local councils,
- b) Draft letters on unemployment.

These are enclosed herewith.

I have three favourable responses from the Australian State organizations re membership of the "International" Council of Georgist Organizations and am following up on the others. The delay is probably due the period between meetings.

Will send the application forms and remittance in one draft when all responses are received.

With kindest regards

Graham Hart
