Dear Mr. Grigg:

Thank you for your letter of 27th August, 1982, and the enclosures. My sincere apologies for not writing back to you earlier. As you know, October is the month of celebrations of our National days.

It is encouraging to know that there are so many steadfast Australian friends who are not only on our side but are also always ready to speak out for the Republic of China.

Your suggestions are very useful and meaningful. Of course, we will try our utmost to put them into practice.

Again, many thanks for your friendship for the Republic of China. We are sure we can count on your continuing support.

With warmest personal regards,

Yours sincerely,

James C. Y. Soong, Ph.D.
Director General
