

INTERNATIONAL UNION FOR LAND-VALUE TAXATION
AND FREE TRADE

177 Vauxhall Bridge Road
London SW1V 1EU

OBJECTS

To stimulate in all countries a public opinion favourable to permanent peace and prosperity for all peoples, through the progressive removal of the basic economic causes of poverty and war, as these causes are demonstrated in the writings of Henry George. Specifically, towards the realisation of these objects, the Union favours the raising of public revenues by taxes and rates upon the value of land apart from improvements in order to secure the economic rent for the community, and the abolition of taxes, tariffs, or imposts that interfere with the free production and exchange of wealth.
