Dear Bill:

I see you and Sam Venturella are more or less taking over the Henry George School there and Mina Olson is moving to Wisconsin. Sam sent dues for the Council (which you signed) and we are sending him the certificate of membership in the Council.

I received your notice of the film showing and hope it went well. It was on the Better Cities Committee letterhead, and I gather you are also keeping this going. Would there be any advantage to listing this in the Council brochure in addition to the School? Just in case, I enclose an application form.

We'll shortly be going to press with a new edition of the brochure, so we'd have to know right away.

Good luck with all your projects.

Sincerely,

Bob
