

Voorhees

Oct. 20, 1988

Dear Harold:

Thanks for your communication telling of developments with respect to Voorhees College, etc. I hope your health will continue to improve.

I had meant to write to you following the Atlanta Conference, but we were up to our necks in work attendant on the move to our new quarters. It did go over very well and we enjoyed meeting Dr. Sneh Veena as well as young Mr. Singleton and his father.

Your list of organizations appears to be complete and up-to-date, with the exception of the Henry George School which is now at this address; also the New York office of Land and Liberty. You must have heard that the Schallbach has moved to 41 E. 72 St., New York, NY 10021. I am no longer Chairman of the Council of Georgist Organizations. Mark Sullivan is still Secretary-Treasurer, and may be addressed at this location. ~~The Henry George School is also at this location.~~ New Chairman of the Council is Sam Venturella, Director of the Chicago Henry George School.

Enclosed is a booklet which gives a listing of Georgist Organizations, with a slip up-dating the changes.

We have not yet issued a new literature list but plan to do so this Fall and you will certainly get a copy.

Sincerely,

Robert Clancy

P.S. I just noticed another change. Jeff Smith is no longer at Basic Economic Education and it would be best to address Floyd Morrow there.
