

Dear Bob:

May 6, 1991

Just a note to confirm that I plan to attend the Schalkenbach Board meeting in New York City on June 10 and 11. I'll stay overnight on the 11th and go to Lafayette College in Pennsylvania for all the activities there up to June 20, when I catch a plane out of Newark at 6:20 pm to

Minnesota
House of Representatives

return to Minneapolis.

If you or any of our allies are planning to drive to Lafayette College on June 12 or back toward Newark Airport on June 13, I'd much appreciate riding along. Oscar Johansen says some of his board members are going to Lafayette, so there may be a chance there, too. In any event I look forward to visiting you next month. John Burger
