

A ROUND TUIT

We are pleased to provide you with your personal Round Tuit. Guard it with your life. These Tuits have been hard to obtain, especially the round ones. It is an invaluable item. It will enable you to be more efficient. For years people have said, "I'll do this as soon as I get a Round Tuit." Now you have a Round Tuit of your own and many things should be accomplished!

Bob Clancy:

Dear Bob:

You are doing a great job with the conference. I'll be glad to present some thoughts which I hope will be "edifying" on Thursday morning.

I plan to arrive early, and be there Tuesday evening and all day Wednesday helping hammer out a constitution and establish Common Ground.

Spoke this morning via phone with Ed Dodson who has probably already asked you to pass the word as far as you can to those who want to participate in Common Ground to come Tuesday evening and Wednesday.

I am enclosing my check for the conference--a double room + conference fee = \$136. I have arranged with Tom Sherrard to room with him, so can you assign us together. As near to Wohl Center as possible, please. You'll remember I'm on crutches.

Would be well to tell those you notify re: this--who to pay and how much.

***At this point I phoned Ed and he says he's checking this out with Stan(?) and will let me and others know later this week.

I'm not sure what to do about paying for the extra night (Tuesday) and 3 meals (Tue eve. /Wed breakfast & lunch). Should I send a check to you or to Ed Dodson?

Looking at the Friday evening program: Stan Sapiro, Dave O'Brien, Nick Tideman, Mason Gaffney, Marion Sapiro didn't quite get an audience with the Pope, but they won over power figures in the Church. Should be on the panel.

Best wishes,

Morgan

Bob: My apologies! I missed the note at the bottom of the green sheet where you already did this. Anyway Keep repeating it, when you can, if you please.
