Dear Mr Clancy,

Greetings from Bonnie Scotland!

Enclosed please find copy of my TALK, entitled, "Involuntary Unemployment and Inflation", with "Questions and Answers."

In presenting a copy to my Cousin Mrs Helen Stout of Dundee, Scotland, I suggested that a good approach to an understanding of the subject-matter was to refer to back page and read that paragraph concerning "ACKNOWLEDGEMENTS." It does introduce one to the subject-matter proper and sets one's mind on the right track.

Copyright is derestricted to all genuine sympathisers of the Movement for Ground Rent for State Revenue.

So far only a few copies are available. Whether this TALK will be printed and published is another matter---and as yet undecided. There is nothing to prevent you, Mr Clancy, making a few copies for private circulation.

Comment and criticism is welcomed.

One thing more: The battle for "Change of title" of the "Scottish League for Land Value Taxation", to that of "Scottish Movement for Ground Rent for State Revenue", has commenced. Circulars have been sent to all Members.

So now it is a case of Mr. Asquith: "Wait and see."

Yours sincerely,

James H. Mac Murchie.
