Dear Sir:

The Single Tax and the Current Crisis:

As Editor of a Journal devoted to the dissemination of the Economic Laws of Henry George as outlined in "Progress and Poverty", you may be interested in featuring any or all of the enclosed manuscripts on the question in some forthcoming issues of your publication.

I would request only that if you wish to publish, you acknowledge my copyright and forward a copy of any issue of the publication in which you feature and note the article you choose. I would like any article signed and attributed to me by name.

If you wish to return the manuscripts I enclose a self-addressed envelope.

Yours Sincerely,

H.I. Meyer, B.Arch (USA) RIBA
