Dear Mr. Clancy:

Enclosed you will find our donations to each of the above organizations.

With regard to the law suit the following events have occurred since the filing of the decree: Fairhope Single Tax Corporation has filed a Notice of Appeal and we have been informed the Supreme Court has entered it on its docket; necessary bonding has been posted and filed; the Plaintiffs have submitted a motion to implement the decree (believe the appeal and bond shortstops this action); and the Plaintiffs have filed a cross-appeal.

I have a question about the proposed boat trip at the end of the Conferences on 26 May. Our itinerary calls for driving to Seattle to catch a noon plane on the 27th. Will the boat trip conclude on the 26th?

Regards,

Charles B. Ingersoll
