

Bob,

I dont have the Terry Newland letter on Fairhope; I had shown it to Oscar because he wanted to write to Gov Wallace and I think he took them both home with him.

Here's Bob Andleson's

A handwritten signature in cursive script, appearing to read "Bob Andleson".

Dear Bob:

Thanks for the copy of your letter to Governor Wallace regarding S.B.'s 750, 751 and 752.

I appreciate and respect your thinking on this legislation and am happy to report that these bills were killed by the Senate Judiciary Committee on April 26.

Please feel free to contact me on any legislation in which you are interested.

Sincerely,

A handwritten signature in cursive script that reads "Ted".
