## **DI GIOVANNA BILL**

N. Y. City Council 85 int. 77

It, roughly, cuts taxes in half on homes (and doubles taxes on under-used and unused land).

An average home will save about \$90 a year in taxes.

The average apartment house will save about \$70 per family in taxes. Landlords must (through competition) reduce rents this much.

The Di Giovanna bill **FORCES** the cleaning up of unhealthy slums and unsightly vacant sites.
